Ages 7-12	Activity #124102-14	11 AM to 11:55 AM

Sky Explorers-We are turning up the heat this summer with helicopters, gliders and free flight planes that will shoot you to new heights! You'll be amazed at how high, fast and far models that you build on your own will actually go! The super lightweight Zing Wing that can go the length of a football field, the motorized Dragonfly that will soar above your heads, and the old-time Bi-Plane that will float through the air are just some of the super cool planes you will build and take home! And if that wasn't enough this summer we're also sending a helium balloon up to the sky with a video camera so you can see how everything looks from 100 feet above the ground! Fasten your seatbelts and prepare for takeoff, it's time to earn your wings! So if you are an aspiring pilot, engineer, or can't wait to do something fun and special this summer.

Grades K-5 July 14 thru July 18 Activity #124102-31 10 AM to 12 Noon

Camp Wizardy-This summer we'll learn an entire show's worth of magic tricks to wow your friends and family for months and years to come! We'll teach you everything you need to know to become a real magician; you'll learn all of the secrets that magicians have been keeping safe for centuries! Discover how to wow your audience with the amazing secret magic bag that make things disappear and reappear out of thin air, how to control objects in midair with your magic stick, and even how to read your audience's mind! Everyone will be absolutely amazed by your mystic talents! Since young magicians in training should learn from the best, you will also get to meet a REAL MAGICIAN that will come in during the week and put on an incredible magic show! **See fees on back.

Grades K-5 July 21 thru July 25 Activity #124102-27 10 AM to 12 Noon

Fashion Design Camp-Are you dreaming of creating one-of-a-kind outfits that will rule the runway? Learn how you can make unique fashions all on your own! No experience is required for this fabulous camp, we'll teach you everything you need to know to design and create couture looks that will be unique to you! Each fashionista will create and design their very own wearable outfit, including summer staple pieces like shirts, skirts, dresses, shorts, or shrugs. All of the amazing looks from Fashion Week will be right at your fingertips! Because amazing fashion is meant to be shown off, we'll culminate in a fabulous runway show for friends and family, where each design diva will model their amazing outfits! To make our summer memories last a lifetime, we'll even include a DVD of the show so you'll never forget your day on the runway! **See fees on back.

Grades 2-6 July 28 thru August 1 Activity #124102-28 10 AM to 12 Noon

Bricks 4 Kidz

This program features hands-on enrichment classes utilizing LEGO® bricks. Students will design and build animals, buildings, robots, and other constructions. While exploring new concepts related to architecture, engineering, manufacturing, the environment, etc., students will develop problem solving and critical thinking skills. A different theme is offered each week.

TIMES: Monday - Friday, 9:00 a.m. - 12:00 noon

FEE: \$225 per topic

LOCATION: Signal Hill Elementary School

REGISTRATION: currently underway at www.bricks4kidz.com - For more information call 631-239-8720

DATES & TOPICS: (check website for descriptions of each camp)
